 Colombo, Sri Lanka

ABOUT ME

Creative and detail-oriented undergraduate with a strong interest in UI/UX and Graphic Design. Focused on designing visually appealing, user-friendly digital interfaces through thoughtful design and usability principles. Experienced in multimedia technologies including 3D modeling, animation, and digital marketing. Actively seeking a UI/UX / Graphic Design internship from February 2026.

EDUCATION

- 2023 - Present **Bachelor of Information and Communication Technology**
University of Sri Jayewardenepura, Sri Lanka
Focus Area: Multimedia Technology
Related Modules: Human-Computer Interaction (HCI), Video Production Technology, Audio Production Technology, Image Processing, 3D Modeling, Gaming Technology, Digital Marketing
- 2021 (2022) **G.C.E. Advanced Level - Engineering Technology Stream**
Science for Technology - A, Information and Communication Technology - A, Engineering Technology - B
Badulla District Rank: 7 | Island Rank: 175
- G.C.E. Ordinary Level**
Successfully Completed (Mathematics - A pass)

TECHNICAL SKILLS

- | | |
|---------------------------|--|
| Design Tools | Figma, Adobe Photoshop, Adobe Illustrator, Canva |
| 3D & Animation | Blender, Autodesk Maya |
| Audio Production | Pro Tools |
| Programming | Java, Python, JavaScript, HTML, CSS |
| Frameworks | Next.js, React, Tailwind CSS, Framer Motion, Spring Boot |
| Databases | PostgreSQL, Firebase |

PROJECTS

Individual Projects

EatGo – Food Ordering & Delivery Mobile Application UI/UX Designer (Solo Project)

Technologies: Figma, Adobe Photoshop

- Designed 15+ high-fidelity screens in Figma, creating a comprehensive food delivery ecosystem from onboarding to order confirmation
- Engineered interactive customization modules using intuitive sliders for spiciness and portions, reducing selection friction and improving order accuracy
- Optimized user journey by developing a 3-step checkout process and a 5-icon persistent navigation bar, significantly reducing menu discovery and transaction time
- Integrated advanced UI features including a real-time support chat interface and a centralized profile management system to enhance user retention
- Applied modern design systems utilizing glassmorphism, high-contrast typography, and WCAG-compliant accessibility standards for a premium, inclusive aesthetic

- Prototyped complex micro-interactions in Figma to demonstrate seamless transitions and a friction-less end-to-end mobile experience

Portfolio Website [Live Demo](#) | [GitHub](#)

Technologies: Next.js, Tailwind CSS, Framer Motion

- Developed a high-performance web portal to centralize UI/UX case studies, 3D animations, and software projects using a responsive React-based architecture
- Integrated Framer Motion to create interactive micro-interactions and fluid transitions, enhancing the visual storytelling of digital design assets
- Architected a clean, modular layout optimized for fast load times and intuitive navigation, effectively showcasing technical growth and cross-platform design skills

Group Projects

Citizen-Voice [Live Demo](#) | [GitHub](#)

Technologies: Next.js, Firebase, Tailwind CSS, PostgreSQL

- A web-based platform that allows citizens to report public issues and communicate with authorities
- Features an easy, transparent, and secure complaint system for citizen-government interaction

PROFESSIONAL EXPERIENCE

Trainee - People's Bank (Hali-ela)

Nov 2022 - Jul 2023

- Completed a 9-month training period at People's Bank prior to university admission
- Gained experience in customer service, data handling, and banking system operations
- Strengthened communication, teamwork, and organizational skills through daily banking operations

CERTIFICATIONS

Dec 2025 **Introduction to UI/UX Design** - Alison (Credential ID: 6811-49577004)

Dec 2025 **Website UI/UX Designing using ChatGPT** - Simplilearn | SkillUp!

Sep 2025 **Digital Marketing Strategy** - Simplilearn | SkillUp

SOFT SKILLS

- | | |
|--|---|
| • Team Collaboration and Leadership | • Problem-Solving and Analytical Thinking |
| • Effective Communication and Presentation | • Adaptability and Continuous Learning |
| • Time Management and Task Prioritization | |

LANGUAGES

Sinhala Fluent (Native)

English Intermediate (Reading, Writing, Speaking)

INTERESTS

UI/UX Design, Graphic Designing, Web Development, 3D Modeling, Animation, Backend Development (Spring Boot), Digital Marketing
